MAKE YOUR INSTAGRAM EASY TO BOOK FROM

20-MINUTE CHECKLIST

THE 3 THINGS I FIX FIRST FOR EVERY CLIENT

Go through it with your phone in hand. Tick what's done. Whatever's left is your to-do list for this week.

1 YOUR BIO AND YOUR LINK

- [ ] Name field says your name and what you do, so search can find you. "Maria | Kitchen Remodels Dallas"
- [ ] Line 1 says who you help and what you do. A stranger gets it in 3 seconds.
- [ ] Line 2 gives a reason to trust you: years in business, area you serve, languages, a result.
- [ ] Line 3 is one action, not five. "Book a free quote 👇 "
- [ ] Your link goes straight to where people book, buy or call. Two taps at most.
- [ ] Open your profile on your phone like a stranger would. Does it make sense in 3 seconds?

BIO FORMULA

I help [who] [get what result] in [where]. [Proof]. [One action] 👇

2 YOUR FACE

- [ ] If you are the business, your profile photo is your face: well lit, plain background.
- [ ] At least 1 in every 3 posts shows you talking to the camera. People trust people, not flyers.
- [ ] Your first video answers the question customers ask you most, in under 30 seconds.
- [ ] Pin 3 posts: who you are, proof of your work, how to work with you.
- [ ] Reply to every comment in the first hour, and end each reply with a question.

3 THE PLAN

- [ ] Pick 3 topics from what already works for businesses like yours.
- [ ] Plan 10 videos at a time, starting from what worked last time.
- [ ] Film it all in one afternoon: 8 to 10 videos, a different shirt for each.
- [ ] Post up to once a day, mostly answers to questions customers ask you.
- [ ] After each batch, check which videos got calls, texts or bookings.
